## FLORIDA *Federation of Stamp Clubs, Inc.*

**WELCOME TO FLOREX '79.** This is the 30th anniversary of the founding of the Florida Federation of Stamp Clubs. Our first "Fall" meeting was held in Winter Haven in 1949 and has been held continuously ever since. Our Federation spring meeting, hosted by a member club, commenced in Sebring in 1954.

Our founding president was Paul Segnity with Maryette Lane secretary/Treasurer. Paul, while no longer active in philately, is a resident of St. Petersburg and will, we hope, be with us as we celebrate our Federations 30th Anniversary. Mrs. Lane, also of St. Petersburg, is internationally known for her work as chairperson of the Stamp Theft Committee of the A.P.S.

We are honored to be host to the National Convention of: American First Day Cover Society, Society of Indo-China Philatelists and the Space Topics Study Group. We welcome their respective members to our convention.

Once again, on behalf of the entire Federation we extend our special "thanks" to the General Chairman of **FLOREX**, Dave Schaefer, Exhibition Chairman, Walt Nazarenko, Bourse Chairman, Carl Lipton, and Public Relations Chairman, Norman Olson. Without the many hours of effort these men and their associates have put forth, there would be no **FLOREX**.

There are a number of special events scheduled for your participation. Enjoy Them.

Utilize the accommodations and facilities of the Bayfront Concourse Hotel. There have been a number of alterations and changes.

Patronize the outstanding Bourse, without the active support of our dealer friends, both new and old, our show wouldn't be the success it is.

We hope you will enjoy your visit to St. Petersburg, have a safe journey home.

Best regards

William J. Bomar  
President of FF of SC

A.P.S. Chapter 157  
S.P.A. Branch 7  
Florida Federation of Stamp Clubs  
National Federation of Stamp Clubs

WELCOME TO FLOREX '79. We hope that you will enjoy yourself to the utmost during your stay at the show.

As I write this greeting, I keep asking myself if the alterations to the exhibition room will really be completed by the time the show opens. These last few months have been difficult ones.

This year, for the first time, we are hosting the annual conventions of three major national philatelic organizations. To my knowledge, none of these fine organizations have ever met in Florida. We hope that they will enjoy themselves to the fullest, and return to FLOREX for another convention in the not too distant future. They will always be welcome.

It's always a difficult task to name those who have helped make the show a success, because of the risk of leaving off the names of one or more individuals who deserve to be included. Nevertheless, it's better to make the effort and hope that I don't forget anyone. I'll keep my fingers crossed.

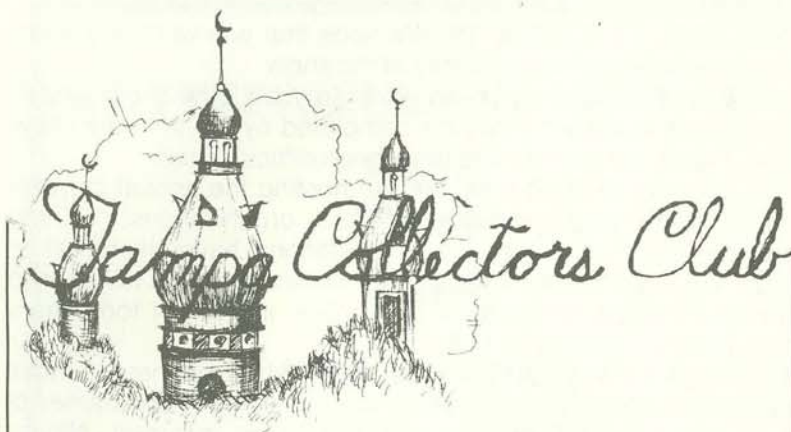

I made a rough draft of those who deserve thanks and found that the names wouldn't fit on this one page. Therefore, I am going to devote a full page of the program just to say "thanks" to all those who helped.

I think we may have another "first" for FLOREX. Last year, Jim Harris, SPA President was our Chief Judge. This year, John Foxworth, APS President is our Chief Judge. I wonder if any other national show has ever had the Presidents of two major societies to act as Chief Judges in two consecutive years.

Don't forget to purchase your Banquet tickets on Friday. Prime Rib entree. Price \$15.00. Grand Ballroom - Saturday Night - 8:00 P.M. Cash Bar at 6:30 P.M.

The Awards Breakfast will be held on Sunday morning at 8:30 A.M. Price \$4.50.

David W. Schaefer  
General Chairman

## CHAPTER 123 AMERICAN PHILATELIC SOCIETY

From its home at Tampa Bay Center Mall, Tampa Collectors Club extends warm greetings to **FLOREX '79**. We hope this show will be the best ever.

If you are a visitor to this area and plan to stay a while around the Bay Area, you may wish to come to our meeting. Our meetings are held on the second and fourth Mondays of every month at the Community Room at Tampa Bay Center Mall, 3302 West Buffalo Avenue in Tampa, just behind the Tampa Bay Football Stadium. Meeting dates for November 1979 are 12 and 26. Meetings start at 7:30 P.M. and visitors are always welcome.

We hope your stay at the Bay Area will be most pleasant and that you will be back with us for **FLOREX '80**.

The success of FLOREX is the result of a lot of work by a relatively small group of people. Too often, their efforts receive no recognition. The fact that these people perform year after year indicates their dedication to FLOREX.

If I fail to list one or more names, it is unintentional. In some instances, where a group of people is involved, I do not have names. The omission is not intentional.

Needless to say, all of the chairmen listed at the left of this page have worked hard for the success of FLOREX. If you see them during the show, tell them that you appreciate their efforts.

There are a lot of workers whose names do not appear at the left, and I want to give them public appreciation.

**Bill Metcalfe and his wife Susie** took over the job of producing this Souvenir Program. Anyone who has ever been involved in a similar task knows that it is a big one.

**Bonnie Nazarenko**, wife of our Exhibition Chairman has, once again, donated one of her beautiful oil paintings which is to be given as a Reserve Grand Award. She also designed our cachet.

**Pauline Waller** has volunteered for the umpteenth time to head up the Registration Committee. She will also handle the sale of our cachets. Thanks also to all of her helpers.

**Mr. and Mrs. Straile** will be selling the Banquet and Award Breakfast tickets, just as they did last year.

An especially big THANK YOU to those unsung heroes who mount and dismount all of the exhibits. I wish I could name them individually, but I won't know who they are until I see them on November 1st and 4th.

Finally, a real big thanks to my wife Tex who has to put with me when things go wrong and I become extremely difficult to live with.

*Steve*

Visit our table during FLOREX, or write:  
P.O. Box 531; Chicago, IL 60690, USA

Hello!

I would personally like to thank all of you for attending and hope that you enjoy **FLOREX '79**, the site of the Fourth Annual Convention of the Society of Indo-China Philatelists. All visitors are cordially welcome to attend the SICIP General Meeting held during the show and to visit with members of the SICIP or to drop by the SICIP table and become members under the special membership rates in effect only during **FLOREX '79**.

The work involved in preparing and setting up of our Society's convention is not nearly as involved as the efforts required in the preparation and execution of a major show such as **FLOREX** but I would like to take this opportunity to thank the involved members of the 1979 **FLOREX** Committee who have helped to make our Annual Convention possible. Among the many who have aided are General Chairman David Schaefer, Walter Nazarenko, Norman Olson, and Wade Berry. To them, the SICIP gives their thanks and wish them the best results from their efforts. None of the work involved could have been successful, however, without the efforts of SICIP member Melvin "Mel" Kessler who acted as the "middle man" (and did much of the work) between the SICIP and the **FLOREX** Committee in his position as SICIP Convention Coordinator. The gratitude of the SICIP Membership is extended to everyone involved.

The Society of Indo-China Philatelists is approaching its tenth anniversary and presently has members in the U.S., Canada, Europe (Sweden, France, Germany, Great Britain, etc.), Asia (the Philippines, Hong Kong, etc.) and Australia, truly an international group of philatelists interested in the postal matters and issues of the Indo-China area. The SICIP publishes the bi-monthly **Indo-China Philatelist**, an award winning publication (in literature competition in the U.S. and Switzerland) that is mailed to members by first class mail. The SICIP also holds 3-4 mail auctions of members' material per year and the listings and realizations appear in the **ICP**. Anyone interested in the philately of the Indo-China area (Annam, Tonkin, Cochin China, French Indo-China, Cambodia, Laos, and/or Viet Nam) is invited to become a member.

Our thanks again to everyone for attending and participating with best philatelic wishes to all of you.

Philatelically yours,

*Lee Wade*  
Lee Wade

## The Society of Indo-China Philatelists

The Society of Indo-China Philatelists was founded in October 1971 by James D. Hogbin and organized for the study of the postal issues and postal history of Indo-China, Laos, Cambodia, and Viet Nam. The SICP is a non-profit philatelic fraternity associated with the American Philatelic Society as Affiliate #38, and with the Society of Philatelic Americans as Branch #362. The first issue of **The Indo-China Philatelist** appeared in January 1971. This inaugural issue of the **ICP** consisted of twenty pages and included a listing of the interim officers (Allen D. Kerr, President) and the first thirty members. The second issue of the **ICP** contained the SICP By-laws and a listing of sixty-five new members. An outstanding beginning for the new society.

The first SICP Members' Auction appeared in the May 1971 issue of the **ICP** which also announced a contest among members to design a society emblem/seal. The first auction contained twenty-four lots of members' material and the SICP commission was fixed at 10% of the realization. In the December 1971 issue of the journal, Charles F. Bekker was announced as the winner of the emblem design contest and his design is still being used as the official SICP logo.

December 1971 also marked the completion of the first year of the SICP, now with over two hundred members, and the election of Allen D. Kerr and Dr. David Torres as President and Vice President, respectively, of the SICP.

SICP Founder James D. Hogbin continued to serve the society in a dual role as Editor and Executive Secretary until the summer of 1972 when Morton Nash was appointed to the position as Editor of the **ICP**. Early 1973 saw the resignation of President Kerr and VP Torres assuming command of the society. An index to the first ten issues of the **ICP** appeared in August 1973 and in November of the same year, a Membership Director was distributed. The February 1974 **ICP** contained the election results which showed James D. Hogbin being elected to the Presidency and Lee Wade to be the Vice President for the two-year term of office.

Severe illness of the **ICP** editor and the inability to find a willing replacement resulted in extensive delays in publishing the **ICP** in 1974-1975. The society auctions, which normally appeared in the pages of the **ICP** were mailed to the members during this time and significantly helped to bind the members together as a society until publication of the **ICP** could be resumed on a normal basis. In March 1976 the **ICP** again appears, this time under the temporary editorship of former editor and now president Jim Hogbin. Mark Isaacs of Chicago has become the Executive Secretary of the society. The results of the fall 1975 election show that Hogbin and Wade are re-elected to their respective offices of President and Vice President of the SICP.

During the spring of 1976 the auction commission was raised to 12% with a rate of 15% to become effective on 31 December of the same year. The commission has since remained at 15% of the amount realized. There have been twenty-seven SICP Mail Auctions from 1971 through July 1979 which contained a total of two thousand, one hundred sixty-five (2,165) lots of material relating to the philately of the Indo-China area.

July 1976 marked the first appearance of a new SICP newsletter, **Cold Facts**, which contained society News, ads, and auctions. The **ICP** would continue to contain philatelic articles and research papers. The two publications were scheduled to be published in alternating months, each

appearing six times per year. President Hogbin had assigned Lee Wade to edit the **Cold Facts** and Robert Moorefield was appointed to edit the **ICP**. This first issue of **Cold Facts** carried the announcement of the first SICP Convention, scheduled to be held during SESCO (15-17 October 1976) in Los Angeles.

In September, the title "Cold Facts" was changed to "Indo-Info" as being more appropriate for our tropical area of interest. **Indo-Info**, the new newsletter, appeared for two issues. In November it was decided to reincorporate society news, ads, etc. in the **ICP** along with the philatelic articles on a regular bi-monthly publication schedule with Robert Moorefield as editor. Mr. Moorefield has remained as editor of the **ICP** and issues have continued to be mailed to the members in each odd-numbered month for almost three years now.

The **Indo-China Philatelist** continues to be an outstanding philatelic publication, receiving awards in literature competition in Switzerland and the United States. In addition to articles on specific stamps, overprint and printing varieties, booklets, coils, flights and cachets; the **ICP** has also contained series of articles in several issues such as Allen Kerr's long running series on the First Day Covers of Laos; Jacques Desrousseaux's installments on the Postal History of Indo-China which listed and illustrated various cancels used in the area as well as other pertinent information; listings of the revenue stamps used in the Indo-China area including the independent issues of Cambodia, Laos & Viet Nam which appeared through the cooperation of the American Revenue Association; and 1977 saw the beginning of a series by Bertram Mendelsohn on a specialized catalog of Indo-China. The **ICP** continues to contain articles of interest and information on all fields and areas of the Indo-China region as well as keeping members informed of news of the society and activities of the society's services such as advertising and auctions and, of course, the society conventions.

Prior to the September 1979 issue of the **ICP**, the thirty-six previous issues plus the three issues of the short-lived newsletter totaled 998 pages of information for the members of the SICP.

During the past three years the SICP has become more active as a society with **FLOREX '79** being its fourth consecutive annual convention. Just prior to the first convention in 1976, Founder and then-President Hogbin resigned his position due to ill health and other matters. Vice President Wade became the new President and presided at the membership meeting at SESCO. In late 1977 elections were again held and Lee Wade was elected President with Lawrence Popowski as Vice President. The SICP's second convention was held during SEPAD in Philadelphia from 7-9 October and a fourteen-page membership directory was distributed in 1977. Early in 1978 the society learned of the death of James D. Hogbin, founder of the SICP, former editor, president, executive secretary and "sparkplug" for many years.

1978 also saw the appearance of the first all-Asian stamp exhibition in San Francisco and the SICP did its part by holding its third convention during ASIAPLEX '78 from 21-23 April. The highlight, as usual during the conventions, was the excellent display of exhibits including several by SICP members, many of which received major awards. And now, in 1979, we are having our fourth convention here at **FLOREX '79** and several of our members continue to participate by having exhibits on display.

Further information on the Society of Indo-China Philatelists may be obtained either at the SICP Table during **FLOREX** or from Mark Isaacs, Executive Secretary; P.O. Box 531, Chicago, IL 60690, U.S.A.

## Space Topics

### STUDY GROUP

Dear Collector,

Welcome to the Space State of the United States -

Florida is the site of American space achievements that have electrified the world.

When Neil Armstrong stepped on the Moon in 1969, millions tuned in their television sets and watched with pride.

The Kennedy Space Center complex plays host to tens of thousands of visitors from all over the world who wish to personally see the origins of man's conquest of space.

Space philatelists have taken part in these events. We have stamps and covers that commemorate launches, fly-bys, docking, rendezvous, recovery and unfortunately, aborts. Canceled from Kennedy Space Center, Patrick Air Force Base, Cape Canaveral and Eglin Air Force Base are prized momentos in every country of the world.

Space philately is the largest topical group in the American Philatelic Society and the American Topical Association. We are pleased to take part in the annual convention of the Florida Federation of Stamp Clubs, **FLOREX '79**.

Look at the space exhibits on display here, perhaps the space bug will bite you!

Sincerely,

Les Winick,  
President

On behalf of the American First Day Cover Society, I would like to take this opportunity to welcome everyone to the 24th annual convention of our Society.

Over the past several years, it has become our policy to have our conventions every other year at locations other than in the New York-Washington corridor. Based on the fine reception we have received here at the Bayfront Concourse, we have absolutely no regrets!

You are cordially invited to drop over to the AFDCS lounge, get to know many of our members who will be there, and if you have any interest whatsoever in first day covers, you are invited to join the only non profit first day cover society (national) in the country. We have special bargains for those of you that do decide to join here at the show - stop by the lounge and check it out.

The American First Day Cover Society has many special events planned for our 24th convention here in St. Petersburg, information being available at the lounge. Our Society is maintaining a suite here in the Bayfront Concourse, and we cordially invite both our members and those not yet in to join us in the evening for not only beverages, but for swap sessions and chewing the fat about first day cover collecting.

Our many thanks go out to the many AFDCS members and non members here in this area who have worked so very hard to make this convention such a success. Without them, this would not have been possible. They have helped in establishing the **FLOREX** show as important enough to the AFDCS to make many of us desire to come back again in the future.

Irwin Kaplan,  
President

**AEROPHILATELIC  
FEDERATION OF  
THE AMERICAS**

The Federation, its 16 Supporting Clubs with members in every country in North and South America, welcomes visitors to **FLOREX**.

If you are a member, visit our table and meet other members and some of your officers.

If you are not a member, visit our table and learn about the most unusual Federation and their publication — **THE JACK KNIGHT AIR LOG**.

Earl H. Wellman, Editor  
AFA Home Office, P.O. Box 269, Brookfield,  
Illinois 60513.

**IF YOU SHOULD BE IN A SELLING SITUATION:**

You could not do better than give us an opportunity to go to work for you. The knowledge, experience and integrity that we can offer comes absolutely **FREE**. It is only the sales results thru our efforts and work that you pay on and then only after we have collected for you.

There are many ways to sell what you may have gathered over the years and even more possible buyers. The best results come from locating the best combination of new owners for your material and this is our "job". Let us have your opportunity and our advice to you is free. We'll travel to see material and, in most cases, there is no obligation on your part.

Drop us a line — or, better still, phone us at area 305 746-6265 to get your best direction in selling your stamps, covers or whatever.

RECEIVE THE BEST IN SERVICE.*

## WE ARE THE ONLY POSTAL HISTORY AUCTION . . .

- That holds frequent sales on a regular basis (six per year).
- That offers advertised cash advances on quality consignments. Liberal interest free cash advances always available on quality consignments.\*
- That offers the most lavish catalogs, with extensive and informative auction descriptions, and almost every lot is photographed.
- With a private toll free number for the exclusive use of our consignors and sellers.

## WE ALSO OFFER . . .

- The most extensive auction advertising program of any postal history auction.
- No lotting fee.
- No charge for photographs, even color, where warranted.

## WE ARE . . .

- Always happy to travel to inspect properties of merit, and assist in the preparation of such material for our auction.
- Exclusively devoted to Postal History and rare covers. Our research facilities are second to none, and they are used extensively in the preparation of all auction lots. We take the time to illuminate any significant factors which may affect the value of material offered in our sales.

\* On quality collections with a minimum value of \$5,000.00.

## It's fun to collect UN stamps

They're unique for many reasons

- \* They are designed by artists from more than 40 countries.
- \* They are printed all over the world by the best security printers.
- \* They can be used for mailing only from UN Headquarters in New York and from the Palais des Nations in Geneva.
- \* The UN has its own special postmarks and slogan cancellations.
- \* The stamps illustrate international problems and events that affect the lives of all of us.
- \* They are issued in two different currencies — United States and Swiss.

## Pat Herst's Latest....

### *"The Compleat Philatelist"*

Don't ride the  
philatelic hobby  
without it!

Herman Herst, Jr.,  
philately's most prolific . .  
and most popular . .  
author has packed more  
than sixty years of  
philatelic knowledge into  
*The Compleat Philatelist*,  
his latest book. Drawing  
from his experience as  
both hobbyist and  
professional, Herst deals  
with a wide-ranging

variety of topics in the course of his sixty-five mini-chapters, discussing  
such things as plate blocks, watermarks, forgeries, first day covers, paque-  
bot mail, locals, fiscals, freaks, fancy cancels, catalogs, and air mail.

Informative as well as entertaining, perfect for the newcomer as well as  
the specialist, this illustrated volume is certain to add to Pat Herst's legion  
of enthusiastic admirers. For anyone interested in the how-to of stamp  
collecting, for all who are curious about its past, and for those intrigued  
by its romance . . . here's the most readable book  
on philately in years. And only Pat Herst could  
have written it.
